- i) The winner of head to head game;
- ii) The team with the smallest runs against ratio (runs allowed/number of defensive innings played); in games among the tied teams
- iii) The team with the smallest runs against ratio (runs allowed/number of defensive innings played); in all games
- iv) The team with the highest runs for ratio (runs scored/number of offensive innings played); in games among the tied teams

v) The team with the highest runs for ratio (runs scored/number of offensive innings played); in all games
